ROSEMARY D'AUGUSTA *et al.*

Plaintiffs,

v.

NORTHWEST AIRLINES CORPORATION  
 and DELTA AIR LINES INC.,

Defendants.

CASE NO: CV 08-3007 VRW

**PLAINTIFFS' EX PARTE  
 APPLICATION FOR AN ORDER  
 SHORTENING TIME;  
 DECLARATION OF THOMAS  
 PAUL PIER**

Date: To Be Determined  
 Time: To Be Determined  
 Judge: Hon. Vaughn R. Walker  
 Courtroom 6

1 TO: THIS HONORABLE COURT AND DEFENDANTS ABOVE NAMED:

2 **EX PARTE APPLICATION FOR ORDER SHORTENING TIME**

3  
4 This ex parte application for an order shortening time is made pursuant to Local Civil  
5 Rules 7-2(a) and 7-10 that allow the assigned Judge to set the time for the hearing of  
6 motions. Plaintiffs move ex parte for an order shortening time to hear their Motion To Set  
7 Hearing Date to Establish Briefing Schedule and Hearing Date for Plaintiffs' Motion for  
8 Preliminary Injunction. Plaintiffs request that the Court schedule the hearing on the Court's  
9 Law and Motion Calendar at a time as soon as is convenient to the Court.

10  
11 Plaintiffs move for an ex parte order shortening time for the following reasons:

12 1. This action is brought under the United States antitrust laws against defendant  
13 airlines, seeking temporary and permanent injunctive relief from the proposed merger of the  
14 two companies. As appears more fully in the Motion To Set Hearing Date to Establish  
15 Briefing Schedule and Hearing Date for Plaintiffs' Motion for Preliminary Injunction,  
16 defendants are moving rapidly to consummate their proposed merger within the next six  
17 months. The merger of the two defendant airlines is already lessening competition, causing  
18 plaintiffs harm in the form of lowered flight capacity, increased fees, and increased prices.

19  
20 2. If the regular schedule for motions is followed, it may be months before plaintiffs'  
21 motion for preliminary injunction may be heard. By that time, it is likely that much of the  
22 integration of the two airlines will be complete.

23 Counsel for defendants has yet to appear; accordingly, plaintiffs have been unable to  
24 communicate with them for the purpose of obtaining their stipulation to plaintiffs' motion.  
25 Plaintiffs have notified defendants of this application and the related motion by service of  
26 process on their local agent.  
27  
28

1 This ex parte application is based on this application and the supporting Declaration  
2 of Thomas Paul Pier, the Motion To Set Hearing Date to Establish Briefing Schedule and  
3 Hearing Date for Plaintiffs' Motion for Preliminary Injunction, and on the papers, pleadings  
4 and records on file herein and on such other further matters as may be offered.

5 A proposed Order is submitted herewith.

**DECLARATION OF THOMAS PAUL PIER IN SUPPORT OF EX PARTE**  
**APPLICATION FOR ORDER SHORTENING TIME**

I, Thomas Paul Pier, declare as follows:

1. The detailed reasons for the request to shorten time are set forth in detail in  
Plaintiffs' Motion to Set Hearing Date to Establish Briefing Schedule and Hearing for  
Plaintiffs' Motion for Preliminary Injunction and will only be summarized briefly here. The  
matters stated herein are based on my personal knowledge and I am competent to testify  
thereto.

1           2.       In April 2008 defendants Northwest and Delta announced their intention to  
2 combine their two airlines by the end of 2008, a mere six months from now. Defendants  
3 have moved rapidly to meet this goal, recently establishing some 25 "integration teams" to  
4 speed the combination. Additionally, defendants have expressed their hope that the  
5 Department of Justice will issue its decision before the new administration takes over in  
6 January 2009. Finally, the cooperation of the two airlines' pilot unions- once thought to be a  
7 major impediment to a rapid closure of the deal- has all but disappeared.

9           3.       The anticipated merger of the two airlines has already reduced competition in  
10 the marketplace, resulting in higher airfares, reduced capacity, and increased fees.

11           4.       If the regular schedule for motions is followed, it may be months before  
12 plaintiffs' motion for preliminary injunction may be heard. By that time, it is likely that  
13 much of the integration of the two airlines will be complete, causing further harm to  
14 plaintiffs.

15           5.       As of the filing date of this motion, defendants have not made an appearance  
16 of counsel and plaintiffs are thus unable to obtain their stipulation to the motion to shorten  
17 time.

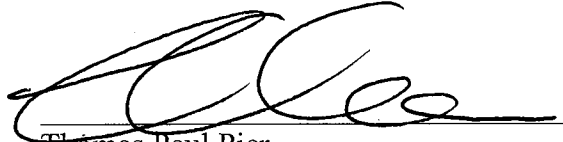

18           6.       The Motion for which plaintiffs request a shortening of time asks this Court to  
19 set a hearing at the nearest time that is convenient to the Court for the purpose of setting a  
20 briefing schedule and hearing date for plaintiffs' motion for preliminary injunction.

21           7       There have been no previous time modifications in this case.

22           8.       The requested time modification would have the effect of accelerating the  
23 schedule such that plaintiffs may present their case prior to the time that much of the  
24 defendants' merger is completed.

1 I declare, under penalty of perjury and the laws of the State of California, that the  
2 foregoing is true and correct.

3  
4 Executed this 14<sup>th</sup> day of July 2008, at San Francisco, California.
